Kayu Manis 1 Street No. 25 Telanaipura Jambi City, 36124

A graduate with a Bachelor's degree in Computer Science and over 3 years of experience in the IT field. I possess strong technical skills, am innovative, and am always eager to learn new things related to the IT industry. I am accustomed to working both as part of a team and independently to achieve company goals. Additionally, I have excellent experience with programming languages such as HTML, PHP, and MySQL databases. I have developed various applications, including a banking information system for Bank Perekonomian Rakyat and an internal digital transformation system for the bank.
